FAQ'S

WHEN DO YOU SETUP & PACK DOWN?

We setup outside of your hire duration. We arrive an hour prior to your hire time to start setting up. Unless you require us to arrive earlier, just let us know and we can arrange to come earlier. The designated hour for setup is free, but if you need us to arrive much earlier than the designated hour setup, there's a \$35 per hour idle fee. Our attendant will pack down once the hire time is over, unless you have a preferred time for pack down, just let us know! Idle fee of \$35 per hour is applied for pack down after the hire is over. This charge goes to the attendant since they are required to work for a longer duration.

DO YOU CHARGE DELIVERY?

We provide free delivery for all areas within 35km from Melbourne. If your event is further than 35km, just get in touch and we will provide you with a delivery quote.

HOW DO I BOOK A BOOTH?

Simply fill in our online booking form ([click here to go directly to our form](#)), this ensures we have all the correct contact and event details. We will require a \$300 deposit to secure the booking/date. The balance is paid before the event date. Please note your booking is not confirmed until a deposit is received.

HOW MUCH SPACE DO YOU REQUIRE?

We usually ask for a 2.5 meter square space with close access to power. If space is limited, get in touch, our booths are portable and we can probably work with the allocated space. We also request a small table from the venue to place props.

DO YOU HAVE TERMS & CONDITIONS?

Yes, we have these available on our website, or please [click here](#).
